Daughters of Confederacy.

The Daughters of Confederacy held a profitable as well as interesting meeting Friday, Sept. 7, at the lovely home of Mrs. M. B. Louthan.

Meeting called to order by the president, Mrs. Gamel, and opened by the reading of one of the Psalms followed by the Lords prayer.

A motion carried to place cypress boards at the graves of all ex-Confederate veterans and to make it the special object of the chapter to beautify our cemetery here. First, by putting out trees this fall, and other things as soon as possible to put in a condition of which to be proud.

A motion was made and carried that Joe Shelby Camp be made honorary members of the chapter—Lee-Jackson Chapter.

A motion carried to the effect that a book be placed in Col. Baynes office so as all ex-Confederate veterans might enroll that crosses of honor be bestowed upon them by the Lee-Jackson chapter.

President gave a graphic account of her trip to Sulphur Springs, I.T. at which place she met the different chapters in the Territory in detached convention. Her account of the enthusiasm displayed by the several thousand people at the reunion of the ex-Confederate veterans impressed the chapter with the fact that everyone who is eligible should consider it a duty to join the Daughters of Confederacy, not with a view to agitating any red party feelings but with the love of God in our souls which makes us kin to all the world and with the feeling that the Blue and the Gray are United.

The object of the chapter is educational, literary, social and benevolent and with such laudable objects the chapter should have two or three hundred members.

A motion was carried that the corresponding secretary send an account of the proceedings of the meeting to each of the papers in the town. XXX
